

Great news for Wayne County Employees, now you have two Golden Dental Plans programs to choose from.

Option 1

Buy-Up Plan

The **Radiant Dental Plan**, which delivers the same high coverage levels that Wayne County Employees have enjoyed for decades. This plan includes such highlights as 100% coverage on Orthodontics and 100% coverage on Fillings and Crowns. This plan is offered through Wayne County on a **Buy-Up** basis only.

Option 2

Non-Buy-Up Plan

The **Smile Guard Plan**, which is designed for the family who is primarily seeking Preventative Care. Plan highlights include 100% coverage on Preventative Care, Orthodontic coverage up to \$1,800.00 benefit and 50% on Fillings, Crowns and Prosthetics. This plan is offered through Wayne County on a **Non-Buy-Up** basis.

SELECT THE PLAN THAT'S RIGHT FOR YOU!

Golden Dental Plans

- 100% coverage on exams and cleanings
- Up to 100% coverage on crowns and fillings
- **100% Orthodontic coverage on Buy-Up Plan. Save up to \$5,000.00**
- No annual maximum
- Many provider locations to choose from
- Largest managed-care network available

Wayne County Employees,
choose the right plan for you!

Golden Dental Plans

Worthy of a Smile

Wayne County Employees

Wayne County Employees, choose the right plan for you!

Save with...

the most complete and affordable dental plan available

Fight back against today's high cost of dental care and insurance with Golden Dental Plans.

Golden Dental Plans program will provide you with more coverage, while drastically reducing your dental care costs.

All Wayne County Employees have the convenience of choosing a provider from one of the largest Managed Care networks in Michigan.

There is no waiting period. You and your family are immediately eligible for the plan's benefits.

There is no need to file claims in advance or wait for insurance predetermination on preventative and basic procedures.

All emergency patients are seen within 24 hours.

All dental care can be conveniently scheduled when needed to save time away from work or home and avoid further discomfort.

"All Golden Dental Providers maintain state of the art sterilization equipment and procedures."
